WITH THE CIVIL AIR PATROL!

**Interested in aviation, youth leadership, service to your community and country?
The Civil Air Patrol is for you!**

Come Out For A Fun Informational Night: Tuesday, July 02, 2024 6:30 - 9:00 p.m.

If you're aged 12 to 80+ and looking for a challenge, join us for an informative introduction to the official civilian auxiliary of the U.S. Air Force. Meet us and hear first-hand what it's like to be a cadet or adult member.

Youths, parents, and adult volunteers, come to learn about the incredible opportunities we have to offer in:

Cadet Programs: Including leadership development, orientation flying, summer activities, academic and flight scholarships, and exploring a variety of careers.

Aerospace Education: Learning about all areas of aviation, space, STEM, and cyber security.

Emergency Services: Involving search and rescue, disaster relief, and radio communications

And so much more!

We'll explain all the benefits of belonging to one of America's finest youth programs and volunteer organizations.

Adults learn about the rewarding opportunities to mentor and teach youth to become leaders as well as opportunities to help in Aerospace Education and Emergency Services.
